

WE'RE HIRING

Weekend Bike Repair Instructor

Pay Rate: \$300 per day (2-day course)

Duration of Employment: March through November 2024
(additional custom/winter opportunities may be available)

A. NATURE & SCOPE

The Outdoor Centre is looking for Weekend Bike Repair Course Instructors to join the team. Instructors facilitate a unique hands-on learning workshop designed for people who want to become more proficient and self-sufficient in all areas of bike maintenance and repair.

Courses run Saturday and Sunday from 09:00 to 16:00.

Instructors will report to the Outdoor Centre Equipment and Services Coordinator

B. CHARACTERISTIC DUTIES AND RESPONSIBILITIES

- Instruct a two-day workshop on basic bike maintenance and repair to adult groups
- Implement lesson plans and adapt to a variety of ability and experience levels
- Aid and support learners to maintain their own bikes throughout the workshop

C. QUALIFICATIONS

- Enjoy facilitating hands-on learning with a diverse group of adult students
- Strong interpersonal and communication skills
- Passion for and familiarity with bikes and components of all types/brands
- Extensive working knowledge of all bike component standards, compatibility, and service/overhaul procedures for all externally-gearped bicycle systems (fork and shock component servicing exempt)
- Demonstrated mechanical problem-solving skills related to bike maintenance and tuning on all types of bikes
- Past or current experience in a professional bike shop (or equivalent) is preferred
- Standard First Aid & CPR certification is an asset
- Ability to work one (or more) weekends per month

Apply by 1 February for best summer 2024 availability. Applications will also be accepted for on-call work on an ongoing basis. Successful candidates will be contacted for an interview.

Please submit resume to Cody at outdoorgear@ucalgary.ca
